March – April 2022

Message from President Morgan: Hello people! The weather had been terrible this winter and early spring forcing some cancellations or rescheduling. Gas prices going so high this can be a hardship for some so why not share a ride and gas. Thankfully weather has gotten much better and I hope everyone starts to enjoy our pitching season. Pre-registration is very important so please call the tournament director by that Friday at noon. If your plans change be sure to recall to remove your name from the competition, if no answer please leave the message. !!!
