December 2022

President's Message:

This year has been another year of excitement in the world of horseshoe pitching with the completion of our state tournament in Clarksville. Special thanks to Ronnie Boyd and family on another great job directing and organizing the state tournament.

We have experienced quite a bit of change this year. Harold Morgan has step down as president dealing with medical problems. We will certainly miss him, but he will be having tournaments at his home in Rutledge. I personally would like to thank him for his many years of service as president and directing hundreds of tournaments at his home. Also, Anita Evans Wilhoit will also be stepping down as secretary. She did an outstanding job as secretary, and we certainly appreciate her hard work. As we are experiencing change, opportunities are opening for others in our membership. Maxine Griffith has become our new first vice-president, and JoAnn Stanford will be our new secretary. Thank you both for agreeing to work in these positions! I would also like to give a big shout out to our tournament directors! You did an awesome job this year! Yes, we would love new directors to volunteer, and I would be glad to help you learn the basics of directing a tournament.

I wish everyone great health, a great life, and great pitching!
