First place ties of four(4) players will be settled by using the ringer % from round robin play and have the highest % pitcher play the lowest % pitcher, while the second and third highest play each other. The winners of those 2 games will then play one game for the class championship. Third and fourth place will be determined by the procedure outlined below for "All other Position Ties".

In case of five or more persons tied for first place there will **NOT** be a playoff game. Use the procedure outlined below for "All Other Position Ties".
